

Hear My Voice in My Prayer

Song 5 Hear my voice in my prayer

Psalms 64 (Hear my voice, O God, in my complaint; preserve my life from dread of the enemy. Hide me from the secret plots of the wicked... But God shoots His arrow at them; they are wounded suddenly. They are brought to ruin... The righteous will rejoice in the Lord and take refuge in Him.)

Hear my voice in my prayer, O God most high
Remove the fear from foes who draw nigh
From secret plots of the wicked, hide me away
From the rebellion of evil, keep me safe today

Hide me, shield me, deliver me, hear my call
Hear me, remove them, shield me, hide me from all

They sharpen their tongues like swords in the night
In secret places, they aim arrows at the upright
Their bitter words they string like bows of deceit
Fearless they strike in sudden, swift defeat

Hide me, shield me, deliver me, hear my call
Hear me, remove them, shield me, hide me from all

In my prayer, hear my voice, O God of light
Take away the fear from enemies' spite
From wicked counsel in darkness, guard my way
From the revolt of the lawless, hide me today

Hide me, shield me, deliver me, hear my call

Hear me, remove them, shield me, hide me from all

God will shoot His arrows, sudden wounds they'll feel
They'll stumble, fall, and flee in terror real
The righteous will rejoice in the Lord above
And take refuge in Him with songs of love

Hide me, shield me, deliver me, hear my call
Hear me, remove them, shield me, hide me from all

In my prayer, hear my voice, O God of might
Take away the fear from foes in the night
From secret schemes of evil, protect my soul
From the uprising of the wicked, make me whole

Hide me, shield me, deliver me, hear my call
Hear me, remove them, shield me, hide me from all

A person is shown from the chest up, wearing a blue garment, with their hands clasped in prayer. A large, radiant golden halo surrounds their head, and bright blue light rays emanate from the top corners of the frame. The background is a warm, golden glow.
